3. If you know someone who does tile, ask them what would be best.

## Decide on a Layout You like and The Size of the Tiles.

2. There are also some standard layouts that you can try out.

## Choose or Create the Design You Want Engraved.

1. Choose from our catalog of designs, or you can have us design something custom that suits your taste.
2. You can find a friend that is computer savy, and they could make it for you,
3. You can make it yourself. (The file needs to be in a Vector format. Adobe Illustrator CS version or lower is preferred.)
